The Ghost with the Book (“oo” as in “look”)

Story – This time the two O’s look like a ghost who is trying to “l-oo-k” at a “b-oo-k” while he walks in the school halls. He bumps into someone who pushes the book into his stomach, and he makes a short “oo” (as in “look”) sound.

Hand cue: Pretend to be holding books, then pushing them into your stomach, making an “oo” sound.
