Ed

Story – Ed is a character in a video game. He is trying to eat those little eggs as he goes along saying, “E-e-e-e-e.” His mother calls him for dinner, prolonging the “e” sound, saying, “E-e-e-e-ed!”

Hand cue: Move your hand along in front of you while opening and closing your thumb together with your four other cupped fingers, like the mouth of a video character who is gobbling up those eggs.
